Our Mission:
Build the Credibility of Humic Substances
Assist Members with the Myriad of Regulatory Issues
Enhance the Awareness of Humic Substances

HPTA Seal designed to encourage membership and growth.

HPTA's Seal was designed to encourage membership and growth. Members should have recently received membership cards featuring the new HPTA Seal. The cards are the first step in assisting Members with the myriad of regulatory issues. The HPTA Seal is shown above.

HPTA is also exploring possible relationships with the Biostimulant Materials (ASTM), and the American Society for Testing and Materials Communities (AOAC), and the American Society for Testing and Materials (ASTM) communities (AOAC). HPTA plans on presenting the method for publication to the International Humic Substances Society (IHSS) at the Annual Meeting in May. Mayhew's presentation can be found within the General Members' section of the HPTA web site.
